

## HOLLY-JANE RAHLENS

### PRESS QUOTES

#### Once upon a Future - Tales from a Distant World (Working title)

Staged brilliantly and created with great imagination, this futuristic fairy tale collection is a treat for readers of all ages. — **Münchener Merkur**

A new perspective packed with deep insight. — **ARD-Radionacht**

Playful yet profound and with an understanding of the significance inherent in each fairy tale, Holly-Jane Rahlens conjures up on paper ten fractured fairy tales à la Grimm. (...) Additional variety is provided by the illustrations which through their own individuality and creative range emphasize the diversity of the literary forms. — **TITEL Kulturmagazin**

The author has succeeded in writing a book that's not only a monument to the immortal power of fairy tales, but which also allows her virtuosity to shine through with wit and charm in a variety of different literary styles. — **biblio.at**

A parody of a fairy tale collection from the future, it reveals the heart of each Grimm tale with humor. — **Fritz + Fränzi**

Rahlens masters a variety of forms and surprises with zany ideas for each new retelling. (...) A complex and fascinating book. A must read! – **GEW (German Teacher's Union)**

This fairy tale collection is refreshingly original. – **[buchverzueckt.blogspot.com](http://buchverzueckt.blogspot.com)**

The amazing Holly-Jane Rahlens exhibits all her talent with these ten fractured fairy tales. – **Bangerang**

Ten stories of great complexity with ten vibrant heroines. – **Börsenblatt**

The mix of various literary genres with social-historical commentary is a great feat and is sure to attract a wide range of readers. Lovers of fairy tales will get their money's worth, as well as fans of fantasy, and just about anyone looking for a collection of tales rich in variety. The author's balancing act of catering to all these readers' wishes without losing herself to wordiness is a triumph. An absolute must! – **[madameklappentext.de](http://madameklappentext.de)**

“Future Fairy Tales” by Holly-Jane Rahlens is a beautifully illustrated and one-of-a-kind fairy tale book for the whole family – not to forget that it's a great gift too. (...) The stories are not only original and inventively told, but the accompanying commentaries are imaginative and cleverly orchestrated. – **[hallo-buch.de](http://hallo-buch.de)**

Once begun, you can't put the book down. “Future Fairy Tales” is another highly original book from the pen of Holly-Jane Rahlens. – **[lesegenuss.blogspot.com](http://lesegenuss.blogspot.com)**
